Hi David –

I wanted to let you know that DuPage County's (IL) lobbyist reached out to me today, forwarding the attached letter with the two bulleted "asks" as a follow-up to the 9/26 meeting in your office. (You may recall that Preston Cory and I were present for that discussion). Normally, I would forward such a communicate through my OAR Reg Steering Committee contacts, but thought it best to go directly to you in the interest of expediency.

Bill V. (below) likely will follow-up early next week on behalf of the County, so please let me know what -- if anything -- either I or the Region can share relative to their requests, or as a general plan moving forward.

Thank you,

AH

Andrew,

Thanks for your call today. Attached is the letter that got sent over. Also we are interested to know when the testing will begin.

Any help on either or both of these would be great.

Bill Viney
